Contribution of Alumni to College and Community

As we reflect on the growth and progress of Ismailsaheb Mulla Law College established in June 1968, it has been a long journey of Fifty Golden years with many milestones of success and glory. In 1968, only three year law course was offered by the college, which was housed in two classrooms in Sayajirao Mahavidyalaya at Karmaveer Samadhi Parisar.

In 1975 when new administrative building of Rayat Shikshan Sanstha was being constructed, a part of first floor was reserved for the Law College. In 1985 new Five Year Law Course was started and to cater to the need of growing students and demand for more space, a new, exclusive spacious building was constructed with the help of Rayat Shikshan Sanstha and all our Donors including many alumni. This new building was inaugurated at the hands of Former Chief Justice of India, Hon'ble Shri. P.B. Sawant in Feb. 2007.

The College received permanent Affiliation from Shivaji University in 2007 and recognition from UGC in 2010. This recognition enabled us to get financial assistance from UGC and to build up our IT infrastructure The College received permanent Affiliation from Shivaji University in 2007 and recognition from UGC in 2010. This recognition enabled us to get financial assistance from UGC and to build up our IT infrastructure and other resources.

In 2018, on Accreditation by NAAC the college was awarded "A" grade. It was possible due to team work and support of one and all: teachers, nonteaching staff, students, parents and our strong force of brand Ambassadors, our Alumni. When the NAAC peer team members interacted with all the above-mentioned groups including Alumni, they felt a strong note of appreciation emerge spontaneously which were convincing that the college is vibrant, working towards realization of its goal of imparting quality legal education.

Our greater joy is the laurels brought to us by our students over several years as academic rank holders at university exams, winning prizes for sports & cultural activities, pursuing further education and being well placed in legal career and truly contributing as competent law professionals, leading to national development. Dedicated Alumni has always been a pride privilege for our college, where the alumni make valuable contribution in teaching, research, Practical Training and Internship of Law Students, voluntary and participation in Legal Aid Camps, Legal Literacy Programmes, Para Legal Trainings and other student centric activities viz. projects, placements, internship, consultancy, research, entrepreneurship and extension activities etc.

Our Alumni has contributed significantly in the following areas:

Financial Contribution:

organised an Alumni meet on the occasion of Golden Jubilee Year of IMLC where many IMLCAA members have donated towards the renovation of Auditorium.

Dear friends, we appeal to all alumni to join hands with IMLCAA, to contribute liberally for this Auditorium Project on the occasion of Golden Jubilee of IMLC.

In our Endeavour to take college to greater heights, we look up to our enthusiastic alumni, our most potential resource for donations on the occasion of Golden Jubilee Year.

We are preparing for our 3rd cycle of re-accreditation, wherein, **networking- collaborating- innovating**, would be the key to success. Further, as a learning organization we are responsive to the advances in technology and the evolving benchmarks in the field of education, with special reference to teaching & learning approaches.

At this point of time the college is poised at a very critical juncture, facing challenges of shrinking financial resources, the need for having collaborations with industry, the need for giving impetus to ICT enabled learning resources.

An appeal to our Alumni

Dear Alumni,

Greetings to you!

- The college offers the alumni a strong **platform for networking** which will be mutually beneficial.
- The biggest challenge is to **create a database** of alumni. An appeal to the alumni is to continuously update the list year-wise and geographical location wise. Keep us informed about your friends, provide their contacts/email-IDs so that complete information is compiled for updating the database.
- We need to **utilize** the data base **mutually**, wherein we look forward to your expertise in shaping the curriculum and making it relevant to suit the industry requirement.
- We look up to you for mentoring and guiding the freshers, helping them for placements and a lot more of valued inputs. We appeal to our alumni to forward the details of any job's openings or business opportunities in your organization which can be posted on the web site.
- **Raising a Corpus fund for awards/infrastructure / financial support for deserving students/nonteaching staff, for your alma mater** is another major area where we seek voluntary contributions from our alumni.
- **We have to keep on achieving different milestones at different period of time, the current being well equipped Computer laboratory and Conference Hall. The total project is approximately Rs.30 Lakh and Infrastructure up-gradation is the need of the hour.**
- This is a **GOLDEN JUBILEE** year of the college **a and help from alumni for this nopal cause would be of great help to the Alma Mater.**

This contribution will make a big difference and will enable the college to portray their sense of belonging towards their alma mater in a very strong manner.

The advantages of having all alumni enrolled are numerous, particularly, in matters relating to:

1. **Student-centric** affairs viz., Placement, Internship, Mentorship, Entrepreneurship, Industry related projects, Admission to R&D Organisations and Universities etc.
2. **Identification** of Experts, Top-notch Professionals, Top-MNCs, Industries and R&D related Industries.
3. Increase interaction between alumni and IMLC
4. Strengthen and/or re-establish the links of alumni with IMLC

5. Collect, and distribute information regarding the progress of alumni, college and about major findings in Law, Procedure and research
6. Arrange public lectures by eminent alumni in the College and community

You all will be of immense help and value when we engage and interact on a continuous basis. It is in this context, that, we shall be grateful if you could help:

1. **By enrolling** as Alumni Association Members
2. **By providing** contact details viz., Mail ID, Address, Telephone Number, Location and Membership Status of your Batchmates from your Department and persuading them also to become alumni members on our behalf.
