Digital Learning Lab

Established in 2014-15

Introduction

The Digital learning lab truly utilizes the concept of knowledge management using modern teaching and learning tools as per thr the visionary strategy of Hon'ble Dr. Anil Patil, Chairman, Rayat Shikshan Sanstha.

The Digital learning lab (DLL) in Ismailsaheb Mulla Law College, Satara, is an innovative and novel scheme formed under the guidance and support of Principal Dr Sujata Pawar.

Aims and Objects

- a) The digital learning lab provides the opportunity of personalized learning at student's own pace.
- b) It provides the opportunity of 'expanded learning' as learning is not limited to the classroom only.
- c) The digital learning provides a rich learning experience as concepts are easily explained in audio-visual format, thereby enhancing students' interest in the subject.
- d) It provides competency based learning, satisfying the need of both slow and advanced learners.

e) The digital learning lab makes global archiving of quality learning material easily available to the students.

f) It is a great boon to students from rural and low income group who don't have access to digital learning tools at home.

g) The digital learning lab archives digital content's of Sanstha' for students and teachers, thereby providing easy access to webcast's of Rayat Shikshan Sanstha.
